

### **REMARKS**

A restriction requirement was issued on January 10, 2007. The Applicant filed a response, electing group IV (claims 20-22).

Originally presented claims 1-13, 24-25, and 29-32 are cancelled herein, without prejudice or disclaimer. Originally presented claims 14-19, 23, 26-28 are withdrawn from consideration in view of the election of Group IV. New claims 33-48 are added herein. Support for the new claims can be found throughout the entire specification (including any document incorporated by reference), including paragraphs 140-141.

Thus, claims 20-22 and 33-48 are submitted for consideration herein.

If the Examiner feels that a new restriction requirement is appropriate in view of the new claims 33-48 in view of the elected claims 20-22, then the Examiner is encouraged to contact the undersigned attorney as he will make an oral election.

Respectfully submitted,
